

CURRICULUM VITAE

Carlo Schaerf

Born in Rome, May 2nd 1935

Graduate in physics at the University of Rome, February 1958

- | | |
|-----------|--|
| 1955-56 | Fulbright student at the University of Rochester |
| Feb. 1958 | Doctor in Physics, University of Rome |
| 1958-60 | Research Associate, Istituto Nazionale di Fisica Nucleare (I.N.F.N.), Rome |
| 1960-63 | Research Associate, Stanford University, Palo Alto, California, USA |
| 1963-73 | Research Fellow and Project Director, National Committee for Nuclear Energy (CNEN-LNF) |
| 1970-73 | Member, National Committee for the Physical Sciences, National Research Council |
| 1970-73 | Member, National Committee for Technical Research, National Research Council |
| 1973-81 | Professor of Physics, Faculty of Science, University of Rome "La Sapienza" |
| 1975-80 | Director, Institute of Physics, University of Rome "La Sapienza" |
| 1978-84 | President, National Commission for Nuclear Physics, I.N.F.N. |
| 1978-92 | Member, Editorial Board, <u>Nuclear Instruments and Methods</u> , published by North Holland |
| 1980-85 | Member, National University Council, Ministry of Public Education |
| 1981-88 | Member, National Committee for the Physical Sciences, National Research Council |

since 1981	Professor of Physics, Faculty of Science, University of Rome "Tor Vergata"
1984-87	President, National Committee for the Physical Sciences, Ministry of Public Education
1984-89	Member of the Scientific Advisory Council LAL-CEA, Saclay, France
1988-94	Member of the Scientific Advisory Council ESRF, Grenoble, France
1989-92	Member, Board of Directors, I.N.F.N.
1992-2010	Member, Academic Senate, University of Rome "Tor Vergata"
1993	Chairman, Particle and Nuclei, XIII International Conference, Perugia, Italy, 28 June - 2 July.
1998-2005	Chairman, Committee for Territorial Management, University of Rome "Tor Vergata"
2002-2008	Member, Program Advisory Committee, COSY, Forschungszentrum, Juelich GmbH, Germany

Carlo Schaerf is the author of more than 100 articles in international refereed scientific journals. He is also editor of about 10 books on various physics subjects.

In 1966 Professor Carlo Schaerf with Professor Edoardo Amaldi founded The International School on Disarmament and Research on Conflicts (ISODARCO). Professor Schaerf became its Director in 1970 and Director and Chairman of the Board in 1991. He is editor of some fifteen books about disarmament.
